Take Me To Timberline.  TimberlineLodge.com

PALMER LIFT IS ONLY OPEN WHEN CONDITIONS PERMIT (TYPICALLY SPRING/SUMMER)

- Timberline does not recommend out of bounds skiing or snowboarding. If you choose to trespass the ski area boundary you assume the risks of backcountry travel.
- You must be prepared with the knowledge and proper equipment to navigate unmarked hazards, extreme avalanche danger, blow holes, rocks, cliffs, crevasses, tree wells, low visibility, limited return and all other hazards.
- Be aware that all canyons lead away from the ski area, return may not be possible.
- Once you are outside the ski area boundary you are responsible for your own safety, transportation and evacuation. Help, if possible may be hours or days away. You or your heirs will be responsible for the cost of your rescue.
